

Lord is going to appear at Mira road by Prabhupada's desire and arrangement

Date: 24th Sept 2015

Occasion: Temple opening Mira Road Mumbai

Guar Nitai has there form; Caitanya Mahaprabhu is Guarsundar not Shyamsundar. Nityananda Prabhu is there with him. Lord appears in this world in His deity form to take us back so that we can stay with Him in His abode.

Lord is going to appear at Mira road by Prabhupad's desire and arrangement. **"Sambhavami yuge yuge"** happen but that's not enough in Kali yuga so Lord appears in His deity form. Tukaram maharaja said "papachi vasana nako dau doda" Lord don't show me papa of this world its better then I be blind I just want to take your darshan.

There is no difference between Lord and His deity. Lord has come to give His darshan but Lord has to give then only we can take. Like example of devotee leaving class and going to darshan from class of Bhaktisiddhanta saraswati Thakur. And Bhaktisiddhanta saraswati Thakur asked him, so then how was your eye exercise.

Lords darshan is possible by Vedanta darshan presented by Srila Vyasadev, Srimad Bhagvatam, Bhagvat Gita **"vedo narayano sakshat"** ..Veda pranahito dharma...

By following dharma and doing sravan kirtan we can have darshan of Lord. Lord's Srinagar then mandir marjana, bhagvat vidhi and pancharatrika vidhi. 'kirtan nrutya geeta' our gurujana teach us all this. With vigra aradhana, we need to hear glories of Lord at every step "nityam bhagvat sevaya".

"Caturvidha Sri bhagvat prasado" here also we have prasad and

in golok also we have prasad. We have mangal Arti early why so that Lord can start with His cow herding pastime. Yasoda maiya wakes Him up “utthi utthi gopala”.

Our sadhana should be done 24 hours keeping Lord on center. Krishna consciousness has put life in us. Serving Lord is our preparation to go back home, in His vigra form Lord gives us opportunity to serve Him. Lord has promised us as you are dear to me you will come me, **Lord loves you “apa Krsna ko Priya ho”**.

We put all are love in dog in car and we don't have love for Lord. We should reserve our Love for Lord and His devotees. Prove Lord that you love us? So Lord appears in His deity form that's His love. Let us all welcome Lord today.

Radha Giridhari ki ..jai
